

**MHSA Steering Committee – County Budget Priorities
Survey Input by Category Grouping**

OVERARCHING (ACROSS ALL PRIORITIES)

Trauma Informed Care

- Ensuring trauma informed care is provided to all children and families experiencing mental health challenges, homelessness/SUD, displacement, justice involvement, etc.
-

Services designed to meet needs by age populations

Cultural Competence/Humility and Accountability

- Ensuring that cultural competency training and values are embedded in all systems, not just the helping professions
 - Reflective services
 - Accountability
-
