

SACRAMENTO COUNTY BEHAVIORAL HEALTH RACIAL EQUITY COLLABORATIVE

Community Forum

The Behavioral Health Racial Equity Collaborative is working to eliminate systemic racist practices that drive behavioral health inequities in Sacramento County.

The Behavioral Health Racial Equity Collaborative is conducting Community Forums with the **Latino/Latinx/Hispanic** communities to better understand their challenges with:

- Access to behavioral health services
- Quality of behavioral health services
- Gaps in behavioral health programs and services

The Behavioral Health Racial Equity Collaborative is inviting all members of the **Latino/Latinx/Hispanic** community living in Sacramento County to register and participate in this Zoom Community Forum. Participants will be able to share their thoughts, ideas, and concerns directly and openly on what the Sacramento Behavioral Health Services is doing well and how it can better serve this community.

This forum will be in both English and Spanish.
