**Data Source:** Dignity Health Decision Support data file, SAC4 ED OP Q1 Q@ FY17. Parameters: Used a set of ICD 9/10 codes that could have been more appropriately treated in a non-urgent / primary care setting.

<sup>1</sup>Unduplicated totals are not a sum of all hospitals' unduplicated patients – patients may present to the ED at multiple hospitals and are counted as “unduplicated” once under each hospital. The Total column for unduplicated patients represents patients that are unique across all four Dignity Health Sacramento hospitals. <sup>2</sup>Out of County Medi-Cal includes Partnership, CA Health and Wellness, out-of-state Medi-Cal payers.
