

Imperial Health Holdings Medical Group

Presentation to the Sacramento Medi-Cal Managed Care Advisory Committee

Paveljit S Bindra, MD
Chief Executive Officer

Our Mission

- To empower patients to be healthy in body, mind and spirit to achieve their potential while we are good stewards of the resources that society has entrusted to us

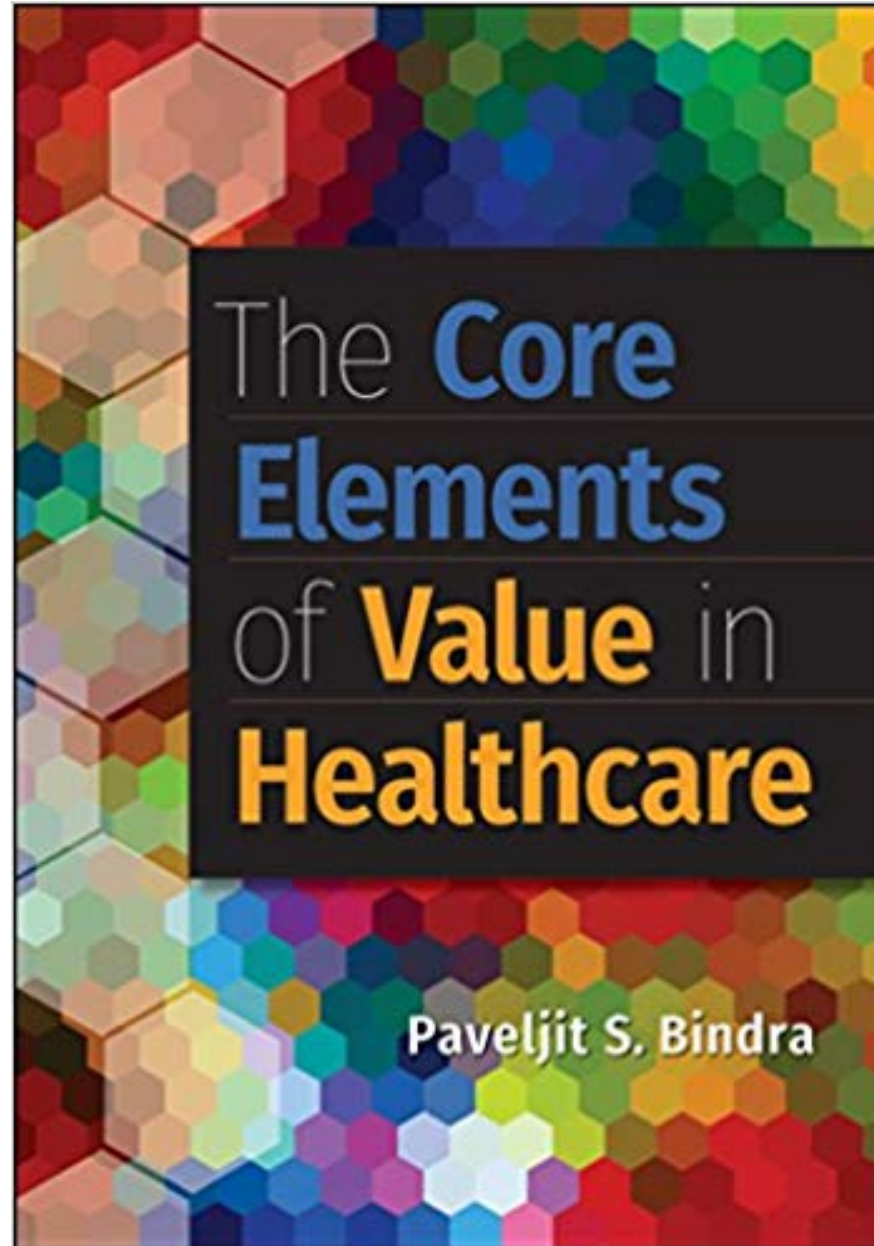

Background

- Independent Physician Association (IPA) operating in over 15 counties in California
- Serving MediCal beneficiaries in Sacramento, Placer, LA, San Diego counties
- Also active in Medicare in these counties through a restricted Knox Keene license in a full risk model
 - Serving Medicare members for Anthem in Sacramento
- Affiliate organization also in Texas

Background

- Serve Anthem contract in LA
- Collaboration in that service led to an invitation by Anthem to enter Sacramento
- Experience in San Francisco and other areas with medical home concept
- Work collaboratively with UC Davis, Sutter and Dignity
- Leverage network across Bay area to improve access for members

Words to Action

The **Core**
Elements
of **Value** in
Healthcare

Paveljit S. Bindra

Social Determinants of Health

- Socioeconomic position
- Race and ethnicity
- Social network
- Work conditions

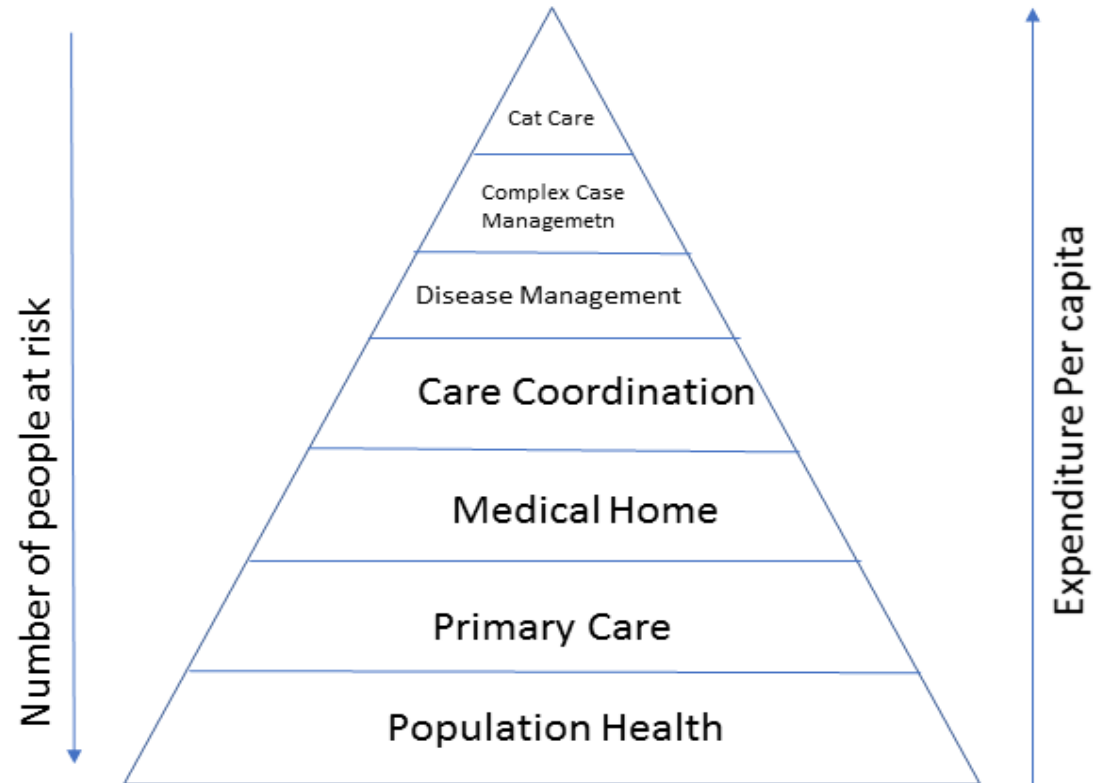

Care Coordination

- An investment across the entire population allows for lower per-capita costs and greater value in the delivery of healthcare
- An integrated system can help more resources to be assigned to sicker cohorts that need more intervention

Elements Facilitating High-Quality Clinical Care

- Community
- Health system
- Self-management report
- Delivery system design
- Decision support
- Clinical information systems

Pyramid Structure of Population Health

Source: Adapted from Xing, Goehring, and Mancuso (2015).

Ethics of Population Health

- Social Justice
 - The concept of social justice maintains that all members of a society are entitled to equal rights and opportunities
